

# Calling All Boulder Mountain Fire Protection District Kids!

## Help us build a new fire station!

Do you make the best lemonade ever? Are you a whiz at washing cars? Then you could turn your talents into money to help Boulder Mountain Fire rebuild Station 2.

Whether you raise \$5 or \$500, every dollar makes a big difference to our community.

### Fundraising Ideas

- Set up a lemonade stand for all those thirsty cyclists
- Host a car wash
- Hold a garage or yard sale
- Bring a firefighter boot to a Little League, soccer, or other youth sporting event and collect donations in it
- Organize a bake sale at your school, church, or other community group
- Have another idea? Go for it! Creativity is the name of the game

The funds you raise can be sent to Boulder Mountain Fire at 1905 Linden Drive, Boulder, CO 80304  
To thank you for your help, you'll receive a certification of appreciation from Boulder Mountain Fire Protection District.

If you have any questions, please contact Amy Westfeldt at amyw@mudbugco.com or 303-242-1964.
